WORK EXPERIENCE

Siebel Center for Design, University of Illinois Urbana-Champaign **2025 – Present**
Communications Specialist *Champaign, IL*

- The Siebel Center for Design at the University of Illinois Urbana-Champaign is a cross-campus, multidisciplinary center that advances design thinking and design learning in teaching, research, and engagement.
- Develop and execute strategic communications and digital content for a university design center, researching, writing, and editing newsletters, feature stories, faculty spotlights, web content, and email communications using University systems such as SiteManager and WebTools to advance the reputation, visibility, and mission of Siebel Center for Design.
- Manage social media strategy across LinkedIn, Instagram, TikTok, and YouTube, strengthening community engagement and awareness of human-centered design by monitoring social media trends, audience behavior, and emerging platforms and recommending strategies to increase reach, engagement, and relevance.
- Coordinate with the Associate Director of Strategic Marketing and Engagement to recruit, train, and supervise 12 student staff members, providing clear direction and mentorship, including leading weekly meetings, reviewing logged hours in TimeTracker, coordinating shifts, and assigning tasks via Airtable.
- Lead photography, including planning, capturing, culling, editing in Adobe Photoshop and Lightroom, organizing, and maintaining a high quality library of images in Box for use on the Siebel Center for Design website, social media, and annual report.
- Created branded print and digital campaign materials in Canva and Adobe Express, including social graphics, flyers, and informational booklets, for 5-7 events and 6-8 campaigns per semester; helped drive a 300% increase in DTX course enrollment and led promotion for UX Days, generating 50 paid student registrations in 1 week.
- Produce and edit basic video and multimedia content using Descript and CapCut for use across website, social media, events, and other digital communications that increase awareness of Siebel Center for Design's mission and impact.

BORN Group **2021 – 2025**
Frontend Developer *Remote*

- Engineered and maintained customer-facing eCommerce solutions for clients including Reformation, Converse, and Bottega Veneta using Figma, JavaScript, CSS, and HTML with a focus on responsive, mobile-first design.
- Completed sprint tasks with under 10% average rollover, supporting smooth Agile delivery, and coordinated directly with clients and stakeholders as needed to ensure projects met deadlines.

Social Media Marketing & Operations Associate **2016 – 2018**
Social Media Marketing & Operations Associate *Chicago, IL*
